Dear Ticonderoga Elementary School Parent/Guardian(s):

This school has been identified as a Local Assistance Plan School for the 2016-17 school year. The identification was based upon the academic performance of either all students or particular groups of students on state assessments during the 2014-15 school year.

Local Assistance Plan Schools are required to conduct a Self-Reflection on the educational program, leadership and instructional practices. The Self-Reflection provides school-based teams with the opportunity to reflect on the practices that exist within the school in preparation for identifying the appropriate next steps for their school. The results of this self-reflection have been reviewed by the school and the district, and have been used to create this plan to improve student academic performance.

If you have any questions regarding the identification of the school as LAP, or the plan described within this Template, please contact the school or district directly.

Sincerely,

A handwritten signature in black ink, appearing to read "E. Hayes".
