WHEREAS, the use of e-cigarettes and vapid devices by students has caused the Ticonderoga Central School District (the "School District") to incur costs in the form of staff time, disciplinary proceedings and other costs, with the expectation that these costs will only increase unless and until students use of these devices decreases; and

WHEREAS, the School District's Board of Education (the "Board") has been invited to join a nation-wide lawsuit by school districts against Juul Labs, Inc. the largest seller of e-cigarettes in the United States and other parties responsible for the production, marketing, sale and distribution of e-cigarettes and vaping devices; and

WHEREAS, the Board wishes to join this lawsuit to discourage the proliferation of e-cigarettes, end the marketing of e-cigarettes to children, and seek compensation for harm caused to the District due to e-cigarette use.
